

Ausco Products Rowing Boat Trailer

Ausco Products has designed and manufactured a number of state of the art and durable rowing boat trailers that are capable of long distance journeys across the country, to weekly regattas around WA. The Ausco trailer consists of a strong and durable galvanised RHS frame, large retractable side steps and folding down supports to make boat loading much safer, quicker and easier.

Features:

- Strong Galvanised Rectangular Hollow Section (RHS) Frame
- Designed for easy loading and unloading
- 8x Large retractable steps (4 per side)
- 4x fixed main trees
- 2x movable smaller trees
- Dual spare wheels and stub axels
- Alloy checker plate flooring and mesh available
- Electronic braking system
- Fully customisable to suit your club needs
