

Ausco Products Oar Racking

Ausco Products have designed and manufactured an oar racking system that uses minimal space to house sets of oars neat and tidy. There are two types of racks available; sweep and sculling. These are both made from a lightweight polyethylene material that is UV stabilised and doesn't wear the sleeves on the oars.

Features:

- Fits all oar types
- Lightweight polyethylene material
- Doesn't wear out sleeves on oars
- Flat packable, easy to assemble with minimal parts
- Sweep & sculling oar racks available
- Maximise your storage space
- Custom rack size available (eg. 4, 6, 8, 10, 16 oars)
- Optional custom colours available

Dimensions: 16 Sweep Blades: 1100 x 280 x 310mm
16 Sculling Blades: 900 x 220 x 300mm
