

## Ausco Products Remote Controlled Bulldozer

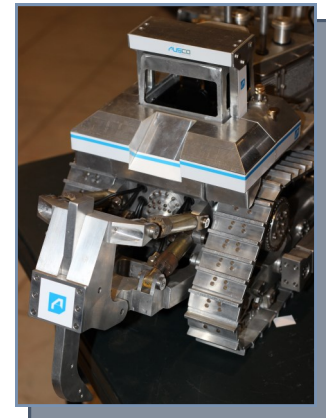

Ausco Products are proud to announce the design and produce of a 1:15 scale, full hydraulic radio controlled Bulldozer. The hydraulic function is controlled via 4 valves for replication of a real machine when operating the blade and ripper functions.

### Features:

- Servonaut Sound card and Speed Controller
- Hydraulic Pump operating at approx. 15 bar
- Fully Functional Hydraulic Blade and Ripper
- Scaled to speed of a real machine
- Custom Powder Coated finish available at additional costs

**Machine Size:** 720 x 420 x 310mm

**Weight:** 24kgs
